## Current Pricing as of January 1, 2008

Every project is unique. Every website that we design is custom. Our pricing listed below should give you a good starting point for cost.

Remember, you can get the "student special car wash" for \$6 -or- the "full auto detail" from a professional for \$250. Same goes for website design. **The results are very different.**

### How much does it cost?

#### **Pre-designed / IDX Integrated Websites for Realtors & Brokers**

Best for agents or brokers looking to get a fully functional website up and running in a couple of days. Choose a design, get approval from your Board of Realtors, upload your logo and contact information.

***Starts at \$399 and \$49/month\* - Timeframe: 1-5 days***

#### **IDX Integration**

Best for agents or brokers looking to integrate IDX listings into their existing website.

***Starts at \$899 and \$49/month\* - Timeframe: 1-2 weeks***

#### **Custom Website Design with IDX Integration & Content Management System**

Best for agents or brokers looking for a custom designed, powerful and search-engine-friendly website with total control over the content.

***Starts at \$1999 and \$49/month\* - Timeframe: 1-4 weeks***

#### **Broker Office Website with Multiple Agents**

Best for a small to medium sized real estate office in need of integrated IDX listings, realtor specific featured listings, and content management capability.

***Starts at \$3999 and \$99/month\* - Timeframe: 1-5 weeks***

#### **Land Broker Website with Property Manager & Content Management System**

Best for land & commercial real estate brokers that want to list their properties and don't need integrated IDX listings.

***Starts at \$2499 and \$39/month - Timeframe: 1-5 weeks***

#### **Homebuilder Website with Property Manager & Content Management System**

Best for homebuilders looking for total control over their inventory of projects. You can manage a photogallery and other aspects of your website.

***Starts at \$2499 and \$39/month - Timeframe: 1-5 weeks***

**Website Updates are billed at \$80/hr** with a one hour minimum. Most of our clients only require 1-5 hours per year of updates. All other custom development is billed at \$80/hr.

**\*Pricing for website and IDX hosting varies by area.**

### **What types of payment do you accept?**

We accept credit cards, company checks, cashier's checks and personal checks.

We can accept 2 or 3 payments for your project. We require a minimum of 33% payment and first month of website hosting before starting any project. We also require a signed copy of a proposal.

Website, Email, IDX/Database Hosting is billed monthly via credit card.

Domain Name registration is billed annually via credit card.

### **How do I know that I will be happy with what you create?**

With years of experience designing websites and custom web applications, we know what works and what doesn't work. We have the project design pipeline optimized to save you time and money. We are experts at creating websites that generate leads and make money for their owners.

Paying close attention to budget constraints, we guarantee to keep working until you are 100% happy with the end product.
